3. In all cases, where Aadhaar authentication fails due to poor biometrics of the beneficiaries or due to any other reason, the following remedial mechanisms shall be adopted, namely:
 - a) in case of poor fingerprint quality, iris scan or face authentication facility shall be adopted for authentication, thereby the Department through its Implementing Agency shall make provisions for iris scanners or face authentication along with finger-print authentication for delivery of benefits in seamless manner;
 - b) in case the biometric authentication through fingerprints or iris scan or face authentication is not successful, wherever feasible and admissible authentication by Aadhaar One Time Password or Time-based One-Time Password with limited time validity, as the case may be, shall be offered;
 - c) in all other cases where biometric or Aadhaar One Time Password or Time based One-Time Password authentication is not possible, benefits under the Scheme may be given on the basis of physical Aadhaar letter whose authenticity can be verified through the Quick Response (QR) code printed on the Aadhaar letter and the necessary arrangement of Quick Response (QR) code reader shall be provided at the convenient locations by the Department through its Implementing Agency.
4. In addition to the above, in order to ensure that no bonafide beneficiary under the Scheme is deprived of his due benefits, the Department through its Implementing Agency shall follow the exception handling mechanism as outlined in the Office Memorandum of DBT Mission, Cabinet Secretariat, Government of India dated 19th December 2017.
5. This notification shall come into effect from the date of its publication in the *Official Gazette*.

By order and in the name of the Governor of Gujarat,

JIGAR PATEL,

Deputy Secretary to Government.
